**BRING A PAIR  
OF SHOES TO  
ADD TO THE  
PYRAMID!**

## Help us build a Pyramid

**of Shoes** - support a world without landmines and unexploded munitions. Help build the biggest pyramid - in the middle of London - made up of shoes, each one representing a life or limb lost.

**Companies** - participate, donate, work with us as partners or help jointly promote the event.

**Individuals** - register support by attending, donating or signing our petition (available on our website).

**Donate** - Funds urgently needed to clear up landmines, help victims and educate affected populations. Pay by credit card via our website.

**Attend** - Join us in central London. Help make press and TV headlines. **Don't forget to bring some shoes to add to the Pyramid!**

**Contact** - Email: [tess.williams@hi-uk.org](mailto:tess.williams@hi-uk.org)
